

VOLUNTEER OPPORTUNITIES
NEW ORLEANS BOTANICAL GARDEN

Learn a variety of gardening skills through our volunteer programs. Volunteering is an excellent way to build relationships with other garden enthusiasts, to accumulate hours towards gardening certificates and community service projects.

The dedication of our volunteer staff has been a major contributor to the growth and success of the New Orleans Botanical Garden. As part of the Garden team, our volunteer staff members find their experience to be enjoyable and rewarding.

I am interested in becoming a volunteer. Please contact me with more information about how I may help.
